

NAVVF Family Information Form

When requesting a New NAVVF Membership, it is hard to identify a particular branch in the NAVVF Family Tree without sufficient information on Parents and Grandparents.

Use this form with the Membership Form to provide Family information; this information will only be used to locate your NAVVF **Branch**, which indicates a descendant of Lambert Van Valkenburg.

Complete this form and mail with a Membership Form for a New Membership.

List full names of parents, including mother's maiden name. Then list Van Valkenburg(h) grandparents, including Maiden Names for grandmothers.
