The Majestic Horseshoe Falls

As a dampened delegation of colorful rain capes, we will experience unique vantages of these majestic Falls on a Journey Behind the Falls / Hornblower Boat Cruise. The short "Falls View" stroll from the hotel, holds many delights and photo-opportunities, formal gardens, misty rainbows, and interpretive attractions.

Niagara Area History tied to VanValkenburgh families!

United Empire Loyalist families re-established themselves in the sheltered plateaus of the Niagara Escarpment, areas that today are abundant orchards, vineyards and wineries. Tour the surviving 1796-built heritage home of Loyalist John Brown/Braun, whose sister married a VanValkenburgh Patriot family in 1765!

Hear stories of the direct involvements of VanValkenburghs and Vollicks in the American Revolutionary War and the War of 1812. The Niagara River Parkway's shuttle bus will take you to the historic villages, forts and battlegrounds.
